

# Adobe Acrobat Pro DC

Windows and Mac OS

Polished and professional. That's the impression you'll make when you use Adobe Acrobat Pro DC—the complete solution for a mobile, connected world. With a three-year subscription, you get the latest Acrobat software that always stays up to date plus Adobe Document Cloud services to accomplish more in the office or on the go.

## The complete PDF solution for today's mobile, connected world.

-  **Create high-quality PDFs**  
Turn any document into a PDF that's easy to send and view.
-  **Export PDF to Word**  
Convert PDFs to Word, Excel or Powerpoint. Save fonts and formatting.
-  **Edit PDF text and images**  
Easily fix typos, change a font, or add a photo right in your PDF.
-  **Organize pages**  
Insert, delete, reorder, rotate, split, extract, or replace pages.
-  **Combine files**  
Combine and arrange documents, spreadsheets, and more in one PDF.
-  **Protect your PDFs**  
Keep others from copying or editing the information in your PDFs.
-  **Use e-signatures**  
Forget paper and ink. Fill and sign documents and forms electronically.
-  **Speed document reviews**  
Automatically collect everyone's comments in a single PDF.
-  **Transform your forms**  
Quickly convert paper, Word, or Excel forms to fillable PDF forms.
-  **Scan to editable PDF**  
Go from scanned paper to an instantly editable PDF in a few quick clicks.
-  **Compare versions**  
Compare and highlight the differences between two versions of a PDF.
-  **Standardize routine tasks**  
Use automated or guided Actions to complete PDF tasks quickly and consistently.
